WORK EXPERIENCE

Intern, ProWorld Technology, Nashik   Aug 2020 - Nov 2020

– Contributing in project development life cycle.
– Contributing in Understanding the project flow and requirement.
– Provided Technical Support whenever required.

PROJECTS

Google Contacts Clone (12/2022 - Present)

Google Contacts Full stack clone with **HTML5 SASS Javascript Nodejs Express.js MySQL.**
The system aims to include all the features in the google contacts app, and make it accessible to users.

Desk (07/2020 - 09/2021)   Link to Demo

Built a Desktop application focusing needs of a computer technology student using **Servlet HTML CSS Javascript Ajax SQL**.
Implemented features like an in-built code compiler, quiz questions, to-do list, expense manager, interview questions,tutorials.
Also added an option to share ideas amongst developers called as forum.
Impact students were able to find all the necessary required tools at one place.

EDUCATION

2021 - 2024	Bachelor's in Technology at **Vishwakarma University**	(CGPA: 8.5/10.0)
2019 - 2021	Diploma Degree at **Government Polytechnic, Nashik**	(83.94)
